FOREWORD

As the years have gone by, Churchland High School has steadily progressed in academics, sports, and extra-curricular activities. This year our school has attained new heights.

With this in mind the staff has tried to record in pictures and words the progressive spirit of CHS. Knowing that school memories will grow dim, and that changes will occur, the 1961 Trucker staff hopes that this book will recall to you the best moments of "That Wonderful Year" at Churchland High School.

Miss Patsy Sanford and Miss Virginia Berry

DEDICATION

We, the Senior Class, have broken the tradition of dedicating our annual to one person, for we feel there are two people who deserve our appreciation. Through their many activities, Miss Patsy Sanford and Miss Virginia Berry contribute something to our school that has made "That Wonderful Year" both meaningful and memorable for the entire student body and especially for the Senior Class.

Together, they spent many hours supervising the many Senior activities that occurred during the year; particularly, did they devote much time and effort in planning for graduation. Sponsoring the Senior Class was but a small part of their non-teaching activities. As co-sponsors of the Cem Tri-Hi-Y for two years, they have helped to build a new and active club for freshmen and sophomore girls.

In addition to teaching Physical Education, Miss Sanford has sponsored the Junior Varsity cheerleaders for five years. Through her many school activities, the student body has come to know her as one who is deeply interested in her chosen profession.

Through the leadership of Miss Berry, the Science Club has grown to the point where it has achieved outstanding recognition. In the teaching of Biology, she is respected by her students as being the best, for she constantly strives to instill a sense of pride in learning.

In appreciation for dedication to teaching, willingness to guide, and giving of time and interest for the improvement of Churchland High School, the Senior Class gladly dedicates the 1961 TRUCKER to Miss Patsy Sanford and Miss Virginia Berry.

PRINCIPAL'S MESSAGE

We of the administration believe that the Trucker Staff has taken the responsibility of creating in our students an interest in the academic and co-curricular activities in our school. We hope that the publication will develop further interest in what our school has to offer and what is perhaps even more important a life long interest in the field of education.

Our book depicts the school year by showing the many and varied activities that go together to make a complete school. Not all youth can be academically talented and the success of our school depends on the number and variety and depth of developed interests, interests that make one a continuously growing cultural individual. Such interests will select those who are capable of becoming efficient specialists and will in the long run give us a liberal education the primary objective of Churchland High School.

After looking at our book I am sure you will agree that the theme "That Wonderful Year" is a fitting one.

SENIORS BEGIN YEAR WITH LARGEST CLASS IN CHS HISTORY

On September 6 the 1961 Senior Class of Churchland High began "That Wonderful Year". The class boasted the largest senior enrollment in the school's history with 210 members.

During the first busy week of school, we attended our new classes and made last minute changes in our schedules while at the same time we renewed old acquaintances and made new friends. English IV, under either Mrs. Davis or Mrs. Buchanan, readily proved to be a challenge. However, despite the realization of hard work ahead, we were determined to enjoy our last year at CHS.

At our first class meeting we elected officers and made plans for the coming year. Students were appointed to collect orders for calling cards and take measurements for caps and gowns.

Thus we accepted the responsibility of being upper classmen and began our most important year of school.

TRUCKERS BEAT GRANBY IN ANNUAL HOMECOMING GAME

The weeks flew by, and after playing half of our football games, it was time for Homecoming. With mixed emotions we realized our senior year was moving much faster than we thought possible.

During our rush to build the club floats for the homecoming parade and to buy our traditional pom-poms, we learned that Mary Ellen, Carolle, Becky, Betsy, Joyce, and Lynn were selected senior members of the Homecoming Court. Eagerly we wondered which of these girls would be chosen Homecoming Queen of 1960. In what seemed a stirring climax, Joyce was crowned as queen of the night's festivities.

We enjoyed a thrilling game as our team, led by tri-captains Jimmy, Kirt, and M. D., beat Granby 7-6. This victory put Churchland well on the way to a winning football season and made us anxious to see the remaining football games.

"THE MATCHMAKER" PROVES TO BE AN OUTSTANDING SUCCESS

As our senior year progressed, we all worked together on several money-making projects which would help meet the expenses of our graduation. The first of these projects, the American Legion Turkey Shoot, started us on that long road to achieving our needed income.

Perhaps our biggest project, and by far the most enjoyable, was the senior class play, **The Matchmaker.** This play, directed by Mr. Gwin with Roberta and Tommy in the leading roles, gave a chance to several seniors to display their acting talents. Besides providing an opportunity for many of our class members to perform and learn backstage work, an extremely enjoyable evening of entertainment was afforded to all who saw these young actors.

Our senior class dues of $5.00 and a few smaller projects later in the year provided the money necessary to finance our activities.

EXAMS AND CAREER DAY HIGHLIGHT SENIOR MID-YEAR

No sooner were the Christmas holidays over than we were confronted with our mid-term exams. For what seemed like ages we studied and crammed many elusive bits of information for each of our courses. We knew that we had to do our best, for being accepted into college or getting a job after graduation would depend on the results of these tests.

It was quite a welcome relief when these exams were finished.

With the beginning of the second semester Career Day arrived and each of us was given the chance to learn about the world of business and work. Many professional people explained their jobs and answered our numerous questions. As a result of the events of Career Day, each of us was given a better insight into what we could expect after graduation.

With the information that we had from the results of our exams and Career Day, we all buckled down to our final few months of work at CHS.

JUNIOR-SENIOR AND GRADUATION CLIMAX "THAT WONDERFUL YEAR"

Senior activities reached a frantic tempo during spring—there were so many things to do. We struggled with term papers while the Juniors secretly made plans for the Prom. As we watched them working against time to transform the gym into a beautifully decorated ballroom, we recalled many events of our junior year. After the Junior-Senior we looked forward to the most important month of all for a senior, June.

Graduation was no longer a dream—it was a reality. We attended the senior class banquet where we listened to our Class Prophecy and the Last Will and Testament.

On Sunday June 4, donning our caps and gowns for the first time, we went to Baccalaureate. Final commencement exercises were held June 7. We received our diplomas, tangible proof that the years of learning and growing in high school were over.

ACADEMICS

The academic program at Churchland High School is one which affords challenging studies to all of its students. Offering opportunities in academic subjects, fine arts, manual training, vocational arts, and physical education, the curriculum provides a variety of interesting and informative subjects which make for a well-rounded program. The 1,036 students and 48 faculty members work together to make an outstanding school which contributes much to the community by preparing students for future responsibilities.

Along with other metal shop students, Bobby Suttle learned how to operate an acetylene torch.

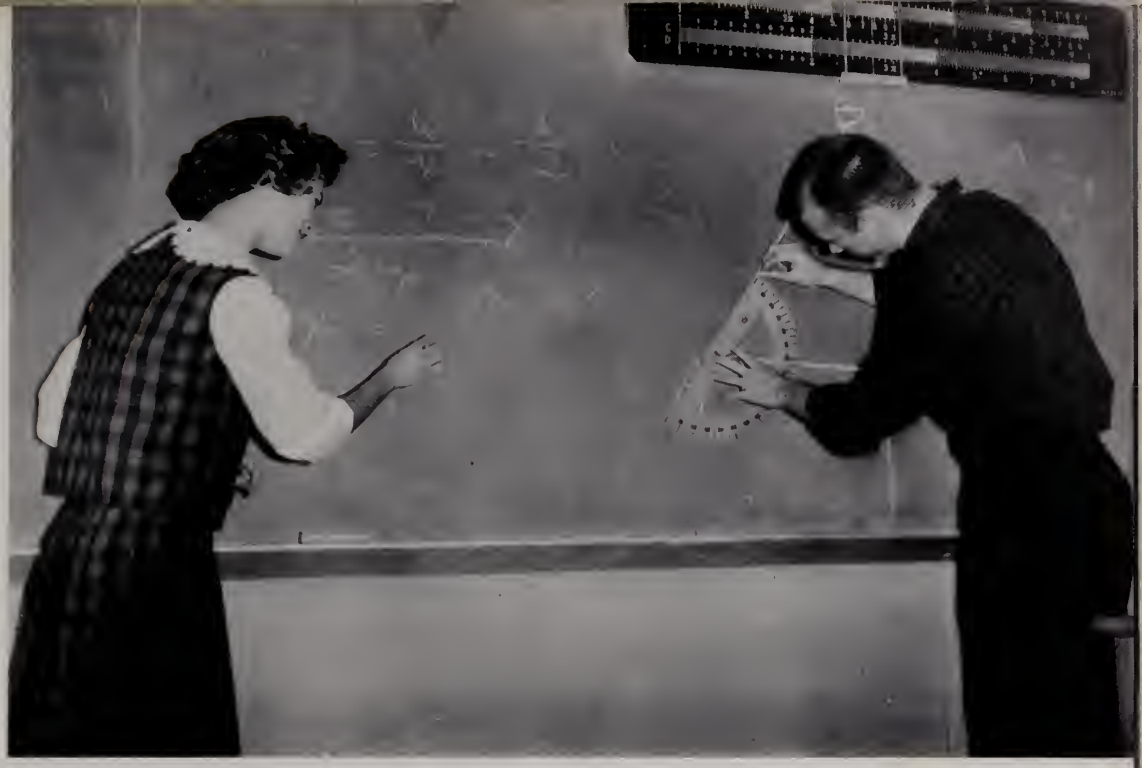
The language lab gave foreign language students, such as Ronnie Ingwall, a chance to hear their own mistakes in speaking French or Spanish.

These sophomore English students in Mrs. Staton's class have received instruction in the fields of literature, creative writing, and grammar.

Judy Turnage explains the party structure of our country to one of the social studies classes.

With attention focused on their work, Margaret McConnell and Tina Starkey apply the skills they have been taught in Home Economics class.

In addition to receiving training in design, composition, and color, Mrs. Price's art students also learn about sketching, craftwork, metal etching, paper mache, mosaic design, water color, pencil and charcoal drawing, and pastel painting.



Math at Churchland High School affords students, such as Tempie, Williford and Gary Angel, training in algebra, geometry, trigonometry, and general math.

In preparation for the many musical programs which are given during the year, the Churchland band puts in many long hours of practice.

This year 2,660 fingers busily pecked from A to Z. Pounding at their typewriters, students in Miss Beale's typing I class concentrate on the day's lesson.

ORGANIZATIONS

SUSAN STEVENSON...PRESIDENT OF THE STUDENT CO-OPERATIVE ASSOCIATION

Student council activities began with a tea for the faculty on the first day of school. A few weeks later, the homeroom representatives were installed before their classmates and parents.

Homecoming, Quiet Day, our first winter dance, and Bermuda Day were included in the council's activities. For the first time in many years, handbooks and student directories were made available to all students. Food was collected for the needy at Thanksgiving and Christmas. The newly-founded School Spirit Committee provided buses for all athletic contests away from home. Under the guidance of the S. C. A., the Inter-Club Council began its first year of existence at Churchland High School.

STUDENTS EAGERLY AWAIT ARRIVAL OF 1961 TRUCKER

Having sold a record high of 725 annuals, the 1961 **Trucker** staff set out to publish a yearbook that depicted "That Wonderful Year" at CHS. More pictures, more write-ups, more pages and more activities made for more trials and tribulations for this year's staff. Planning attractive layouts, taking pictures, and meeting deadlines, writing and proofreading copy, collecting ads and selling subscriptions consumed a whole year of hard work and concerted effort.

In order to carry out the club purpose of moulding Christian character, the forty-five club members participated in monthly service projects by visiting hospitals, the convalescent home, and the home for the aged. NEW CLUB SET UP BY CEM TRI-HI-Y

Realizing the need for wider participation in Tri-Hi-Y activities, the members of the Churchland Cem Tri-Hi-Y organized a new club for ninth and tenth grade girls at CHS. This was a major project of the year.

By attending church once a month in a group, by visiting the Westhaven Orphanage, and by regularly contributing to World Service the members of this club went far in its purpose of creating, maintaining, and extending throughout the home, school and community high standards of Christian character.

WEBB TRI-HI-Y BEGUN FOR CHS GIRLS

In order to widen interest in Tri-Hi-Y work, a new club was organized for ninth and tenth grade girls. Committees for the new Leonard Webb Tri-Hi-Y were set up to prepare a constitution and to establish projects for the year. The members got off to a good start by deciding to attend in a group different churches on the second Sunday of each month during the school year.

In conjunction with the Wilsonite Tri-Hi-Y the members of this newly organized club put on a fashion show in the spring. Thus the Leonard Webb Tri-Hi-Y became a welcome and permanent addition to the CHS scene.

FHA GIVES TEA ON CAREER DAY

"Someday I might have the care of a home and family." This was the thought of many members of the Future Homemakers of America as they worked on projects and had discussions on the many aspects of homemaking and the opportunities it affords. In addition to learning about homemaking, the members of the FHA fixed an attractive display case in January, and a bulletin board in the cafeteria. A visit to the Home for the Aged, a tea for Career Day speakers, a dance in March, and serving as hostesses for the Tidewater meeting of FHA Clubs in April rounded out another successful year for these future homemakers.

FTA MEMBERS GAIN TEACHING EXPERIENCE

By practice teaching at Churchland Elementary School, the members of the FTA gained some first hand information in the trials and tribulations of being a public school teacher. Under the guidance of several elementary teachers, these "future teachers" gained valuable experience and knowledge in what the future might hold for them.

By doing this practice teaching the FTA members carried out their purpose of affording actual teaching experience to interested students and of encouraging more young people to enter the profession of teaching.

The projects of the year—selling homecoming pom poms and conducting a bake sale—provided the income necessary for the club to offer a college scholarship to a worthy FTA senior.

FUTURE BUSINESS LEADERS OF AMERICA ATTEND NATIONAL CONVENTION

Holding one business meeting and a social each month, the members of the Future Business Leaders of America sought to develop character, train for useful citizenship and foster patriotism in their school, community and business lives.

Collecting canned foods and distributing gifts to children at Christmas highlighted the holiday season for the FBLA. Further projects including giving an Installation and Awards Banquet in the Spring, being responsible for the bulletin boards in the business departments and sending delegates to the National FBLA Convention made for an interesting and enjoyable club year which was climaxed with the members striving constantly to improve and establish standards for entrance into office occupations.

"Work, work, work". This is a familiar thought to many of the members of the Diversified Occupations Club, as they leave school during the day to go to their jobs.

Through their occupations, these students develop their personalities in leadership, citizenship, character and fellowship while obtaining working skill.

The main project of the club for this year was an employee-employer banquet. The members of the Club also took part in the district meetings and in the district-state contests and conventions.

D.E. MEMBERS GAIN WORK EXPERIENCE

"To develop professional attitudes towards school and work experience" is the chief purpose of the students enrolled in Distributive Education. By being confronted with everyday work problems, D.E. members develop skills that can be carried over into their adult lives.

An important project of the year was an Employer-Employee banquet through which the members attained a personal relationship with their emplyers. Giving a dance, selling candy, attending a district and professional meeting provided a year of interesting and informative experiences for the students of D.E.

URC MEMBERS LEARN ABOUT ROCKERY

By studying the basic principles of rocketry, the members of the Universal Rocket Club have created an interest in space and the world of tomorrow.

The climax of the year was the firing of a rocket which the members built and assembled themselves.

Ed Krampitz is president and Mr. Vance is sponsor of the club.

VARSITY "C" RECOGNIZES ATHLETIC ACHIEVEMENT

Standing: Pete Register — Sgt.-at-arms, Pee Wee Carroll — secretary, Charlie Johnson — treasurer, Mr. Smith—sponsor. Kneeling: M. D. Hathaway—president, Jimmy Howell—vice-president.

By awarding varsity "C" letters for participation in interscholastic sports, this club recognizes outstanding athletic achievement and sportsmanship to boys at CHS. Through the running of a snack stand at basketball games the members secured finances for the club. To complete the yearly activities, the Varsity "C" held a spring picnic and outing for the members and their dates. Beginning with relays and sack races the members and their dates enjoyed a picnic supper prepared by the girls.

MONOGRAM CLUB HAS SPRING DANCE

Made up of girls who have won a scholastic letter for some phase of athletic achievement, the Monogram Club seeks to promote interest in athletics and good sportsmanship throughout the school. The most outstanding event of the club year is the annual student-faculty basketball game held in the spring, which affords one and all an hilarious evening of entertainment. The selling of school hats provided the club with further finances. The club year was rounded out with a dance.

HOMECOMING FESTIVITIES

Joyce Parker was presented with the queen's bouquet by our principal, Mr. Beck, just prior to the homecoming game against Granby High School on October 21. Maid-of-honor, Cynthia Edwards also received a bouquet and the other ten members of the court were given corsages. Joyce and her court then reigned over the football game and the homecoming festivities.

This float, made by the Future Homemakers of America, was chosen as the best in the homecoming parade. It was awarded the winner's trophy. Riding on the F.H.A. float are Bonnie Gutzler and Opal McCauley.

SENIOR CLASS PLAY

Mrs. Levi displays her matchmaking talents on Mr. Vandergelder.

Through a series of romantic mix-ups and hilarious confusion among the other characters of the play, Mr. Vandergelder is tricked into a "willing" marriage with Mrs. Levi.

In order to present this play to the public, the senior class chose its top theatrical talent, and after rehearsing for many long hours presented an outstanding comedy which was well-received and financially successful.

CAREER DAY SPONSORED BY HONOR SOCIETY

Organized to recognize achievement in the fields of leadership, character, service, and scholarship, the National Honor Society of Churchland High School strives to promote the four qualities among the students. By keeping a bulletin board on chapter activities and qualifications, the organization constantly kept its ideals before the school. As the major project of the year, the National Honor Society was in charge of all the senior assemblies including Career Day. The society also sent out letters of recognition for honor roll students at mid-term. A reception for new members in April concluded one of the society's most successful years.

MARSHALS

The 1960-61 Marshals were pinned in assembly on October 20. The Marshals have come to be an exemplary group juniors who maintain a "B" average. It is their job to represent the student body at all public functions of the school.

Beginning the year by officiating at the mock election, the Marshals later acted as ushers at the Senior Class Play, the Christmas Concert, and the Spring Concert. Towards the close of the year this group played an important part in graduation exercises of the seniors by serving at the Senior Class Banquet and ushering at Baccalaureate and Commencement. The Marshals, though only having been organized two years, play an important role in the activities of Churchland High School and at the same time provide recognition for scholastic achievement.

TRUCKERS POST 5--4--1 SEASON

The pre-game huddle.

For the first time since entering Group I competition the Churchland High School Truckers posted a winning season by besting five of its opponents—Maury, Granby, Suffolk, Wilson, and Newport News. These five wins, a tie game with Deep Creek, and narrow losses to Princess Anne and Oscar Smith, easily overshadowed the defeat by a strong Great Bridge team and a loss to Cradock on a rain-soaked field. A strong Trucker eleven thus insured the start of an all-around year of sports at Churchland High School.

Boyd Spruill and Jimmy Howell close in for tackle.

M. D. Hathaway side steps would be tackler.

13--7 VICTORY OVER WILSON MARKS OUTSTANDING GAME FOR TRUCKERS

With half of the football season completed, the Truckers entered the traditional game at Portsmouth Stadium confident of tripping up their nearest scholastic neighbor—Wilson. With Bobby Suttle scoring a breakaway touchdown of 40 yards in the first quarter, the Truckers rolled on to a fourth quarter score on a pass interception by M. D. Hathaway, covering 80 yards. Butch Land provided the extra point. These two touchdowns proved to be too much for the Presidents who managed but one score in the second quarter.

Coach Fearing watches game in deep concentration.

Kirt Lawson picks up yardage in Homecoming game with Granby.

TRUCKERS WIN HOMECOMING GAME WITH 7--6 TRIUMPH OVER GRANBY

The annual homecoming festivities of Churchland High School with its parade, queen, and returning alumni was one of the most outstanding in many years. Though pitted against a formidable opponent, Granby, the Truckers outscored the Comets with a touchdown by Kirt Lawson and an extra point by Butch Land. The extra point proved to be the margin of victory, as both students and alumni witnessed an exciting homecoming game.

TRUCKERS CRUSH SUFFOLK IN 47-14 VICTORY

Eager for their fifth win of the season, the Truckers entered their eighth game against a much-abused Suffolk eleven. With TD's by M. D. Hathaway, Kirt Lawson, Stacey Barnes, and Billy Adams, the Truckers scored in every quarter to experience its biggest win of the season.

With the playing of the final two games against Oscar Smith and Cradock, the Truckers finished a successful and rewarding football season. As such, "That Wonderful Year" was begun on a note of excitement, success and a deep feeling of satisfaction.

TRUCKERS FACE TOUGH COMPETITION

Facing its toughest competition in years, the Truckers compensated for lack of height with spirit and determination. After winning its first six games, this lack of height proved to be the deciding factor in many close contests. The Truckers finished the season with a victory over Granby. With a 17.2 average Butch Land was the high scorer for the season and was second in the district.

TRUCKERETTES HAVE SEASON OF 10 GAMES

Miss Van Dyck—Coach

With an all-time high of 94 girls trying out for this year's team, 21 were selected for the 1961 Truckerettes. Under Miss Van Dyck's supervision, the girls began practice in November and continued through March.

Rounding out the season with five victories, the Truckerettes played two post-season "games"—one with the faculty and the other against the boy's varsity team; these two games provided "interesting" and hilarious basketball for all who saw the contests.

ENTIRE GOLF TEAM RETURNS

Coach Joe Smith and his team found many challenges confronting them with the opening of golf season. Last year's team placed third in the district and fourth in the state tournaments. With all lettermen returning, the Truckers provided some of the area's stiffest competition.

April 25—Churchland, Maury, Newport News
May 2—Churchland, Wilson, Cradock, Princess Anne

Holding down the No. 1 position, Mike Wynn, practices his swing.
